KAPLAN SCHWESER

Integrate the CFA® certification into your academic programs or have your students benefit from special discounts by becoming our partner.

With the help of Top Finance - Kaplan Schweser, developing a CFA® course is quick and easy. We assist you in the whole creation of your program, providing you with ideas and resources meeting the needs of your institution.

About the CFA®

The CFA® program offers expertise and practical knowledge about investment decisions as well as recognition in terms of professionalism and integrity. The CFA® consists of three levels (Level I, II & III), very selective that requires a structured preparation, guided by adapted teaching and study materials resources.

The benefits of a CFA® program for your institution

Global Recognition

- | Most respected certification in the financial industry worldwide.
- | Ideal for local and international students to increase their exposure.

Employer Attractiveness

- | The CFA® program reflects high standards of ethics and professionalism.
- | Recognized and welcomed by markets and employers globally.

Constant Growth

- | 20% enrollment increase in 2018 compared to 2017.
- | 319,189 candidates in 91 countries last year.

Flexibility

- | 2 exam sessions per year for Level I in June & December.
- | Students can pursue with level II and III exams on their own as professionals.

You wish to integrate the CFA® program into your curriculum?

See our recommendations
